

Thank you for your interest in the Port Tampa Bay (PTB) Internship Program.

PTB provides a comprehensive internship program that emphasizes education and community involvement. This program gives college students the opportunity for work/learning experience; enhances awareness in educational arenas of Port Tampa Bay business activities, security/operations, and supports postsecondary education. Internships are available to college program students without regard to race, creed, religion, color, sex, age, national origin, political affiliation, disability, handicap, marital status, or any other category protected by applicable law.

To apply for an internship, please email resume, cover letter and transcript to mmartinez@tampaport.com and include “**Internship Application**” in the subject line of the email. Human Resources will review requests/resumes and forward recommendations to the respective department head.

Interns will receive \$12.50 per hour, normally for 24 hours per week. The duration of the internship will be between six and eleven weeks as agreed by Human Resources.

The number of available internships per semester will be determined by the ability of PTB to provide programs and resources.
